

Mid-Michigan BOMA - March Meeting

Managing the Risks of Legionella in Building Water Distribution Systems

Thursday, March 17, 2016 at 11:30 a.m. - 1:00 p.m.

Speaker: Glenn Adamus HydroCorp

About the speaker:

Glenn Adamus has been with HydroCorp for 15 years, managing water quality protection programs for public and private water systems throughout the United States. He has experience consulting manufacturing, health care, food processing, and government facilities for legionella management, cross connection control, and regulatory compliance. Glenn has also assisted in developing water quality and health and safety initiatives for large corporations, and has developed and delivered water quality management training programs for both private and public water systems. He is affiliated with the American Society of Sanitary Engineers (ASSE), American Water Works Association (AWWA), and the American Industrial Hygiene Association (AIHA).

Location: Crowne Plaza Lansing
Bordeaux - Barossa Private Dining Room
925 South Creyts Road,
Lansing, MI 48917

Please RSVP by Tuesday, March 15th to Nicki Badgero at badgero@mayottearchitects.com or 517-657-3295.
